Originated in Ireland, Cashel Rocks is a family run business providing carefully chosen gifts for you the customer.

We look to partner with suppliers of unique products that suit all occasions, from Anniversaries, Birthdays, Christenings, Engagements, Weddings or just to say a simple thank you.

Cashel Rocks Old Irish Siopa is located in the heart of Cashel, Just a five minute walk from the historical Rock of Cashel. Call in to myself or Natalie and we will be delighted to look after you, whether it's for a Birthday Card, quarter of Clove Rock Sweets, Special Gift, or just directions to the Local Pub.

At Cashel Rocks we love to meet people from all around the world, exchange stories, and tell a few yarns. We try to make sure our customers leave with a smile and a token lollipop from us!

We hope to help you find that special gift online or in our shop.
